**X. Certification**

If you want DCS to enforce the other parent's medical support obligation, select the type of medical enforcement services you want:

- I want DCS to require the other parent to provide health insurance coverage for the children or to pay part of the medical insurance premium costs I am incurring in the amount stated in the order.
- I want DCS to collect the other parent's share of uninsured medical expenses (including copayments, deductibles, and premiums as defined in WAC 388-14A-1020) that I have paid on behalf of the children.

I am asking for child support enforcement services. I realize that DCS tries to collect child support debts not barred by the statute of limitations. I know that this request registers my child support order with the Washington State Support Registry (WSSR). I understand that the information I provide may be used by Washington State to establish, enforce, or modify my child support.

I agree to tell DCS when I change my address or employer and about other events that might change my child support payment amount.

I agree to send all child support payments to DCS. I understand that DCS credits only payments that I send to WSSR, a state court or child support agency, or a Tribal court or child support agency to my child support obligation. I understand that DCS will not give me credit for any payment sent directly to the custodial parent.

I declare under penalty of perjury, under the laws of the state of Washington, that:

1. All statements I gave on this form are true and correct.
2. I am not requesting or receiving child support enforcement services from another state.
