The PIN # is 689612#

Our next conference call is scheduled for 12:00 to 1:00 on Tuesday, June 28th.

I propose that we take up the questions posed in our Subcommittee Report to the Workgroup on Saturday, June 25th.

1. Do we need to address the 45% limitation in our recommendations to the Workgroup?
2. Does the obligor who is claiming a CNBC based on a court order of support need to prove any level of payment in order to successfully claim presumptive treatment?
3. Will our subcommittee have a recommendation with respect to the treatment of the obligee's CNBC?
4. Any other issues raised by the public comments received at the Saturday public meeting.

Please let me know if you have any other proposals for our agenda.

Regards,

Ed
