**Subject:** Next Bridge Call - 7-18-2011

The sub-committee meeting for the Children From Other Relationships was continued from Friday at 3:30 to Monday, July 18, 2011, at 12:00 noon. The call in number and pin number will be sent out early Monday morning. There is no formal agenda, but one topic for discussion will be rebutting the presumptive calculation. I will be the staff person again for that call, because Ellen Nolan is not available on Monday. Thank you. ghs
