

IRB Authorization Agreement

Institution Providing IRB Review: Fred Hutchinson Cancer Research Center (FHCRC)

IRB Registration: IRB00000021; IRB00000022 Federalwide Assurance: FWA0001920

Institutions Relying on the Designated IRB: Washington State Department of Health (DOH)

Federalwide Assurance: FWA00000327

The Officials signing below agree that the Washington State Department of Health may rely on the Fred Hutchinson Cancer Research Center IRB for review and continuing oversight of its human subject research described below:

- Research conducted by investigators who are full members or affiliate members of the Fred Hutchinson Cancer Research Center in which individually identifiable personal record information from the Washington State Cancer Registry (WSCR) is accessed, used or disclosed for research purposes without written consent or authorization. Research which involves linking WSCR records with other non-public record information maintained by the Washington State Department of Social and Health Services, Department of Health, and/or Department of Labor and Industries is not included in this Agreement.

The review and continuing oversight performed by the Fred Hutchinson Cancer Research Center IRB will meet the human subjects protection requirements of the Washington State Department of Health OHRP-approved FWA. The FHCRC IRB will report its findings and actions, including relevant minutes of FHCRC IRB meetings, to appropriate officials at the DOH upon request. The DOH remain responsible for ensuring compliance with the FHCRC IRB determinations and with the terms of their OHRP-approved Assurances. This document is kept on file at both institutions and provided to OHRP upon request.
