Access to a Waiver

A request for enrollment, or to switch to an alternate waiver can be done at any time. Ask a case resource manager (CRM). If a CRM is not available, leave a message on the local No-Paid Service line listed under Regional Offices or submit the request on-line at www.dshs.wa.gov/dda/service-and-information-request.

Meeting service criteria for the waiver does not guarantee access to waiver services. Each waiver is limited on the number of people who can be served. DDA has the authority to limit enrollment in the waivers based on the availability of funding for new waiver participants.

Administrative Hearing Rights

Everyone has the right to an administrative hearing with any of the following decisions regardless of program or service:

- DDA eligibility is denied, terminated or DDA has unreasonably delayed acting on an application; or
- Type or amount of service authorized to receive; or
- Denial, reduction, or termination of services; or
- Denial of choice of service provider; or
- If moved to a different residential setting, not of one's choice; or
- DDA refusal to abide by request not to send notices to any other person; or
- Disenrollment from a waiver program; or
- Denial of request to receive ICF/IID services instead of waiver services; or
- DDA decides the services available on your current waiver can meet your health and welfare needs and a person disagrees; or
- A person is assessed to not need ICF/IID level of care; or
- One has been assessed to not meet CIIBS eligibility.
