EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: A State Plan Amendment was authorized by the Social Security Administration which added Pre-Vocational Legacy as an SSP payment. In order to keep in compliance with the State Plan, these rules are being updated. In addition, the federal government requires that the department meet the SSP maintenance of effort (MOE). These rule changes are necessary to meet MOE and to prevent risk of losing federal funding by jeopardizing the Medicaid Program.

Prevocational services do not meet the CMS federal requirements as an integrated setting. SSP Pre-Vocational Legacy will allow DDA clients to transition from prevocational services, which do not meet CMS requirements to access services, in an integrated setting. SSP Pre-Vocational Legacy may be used to purchase needed services, such as respite, and other community services. This will help the welfare of individuals transitioning from Prevocational services to more integrated community services. This will also allow clients to more easily remain in the community setting and to be less likely to enter into an institutional setting. The department is in the process of permanent adoption, a CR 102 proposal has been filed under WSR 17-08-043 and a public hearing is scheduled for May 9, 2017
