EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: ESSB 6032 (2018) directs the department to replace hourly payment methodology with a tiered rate methodology for residential services providers. Amended language in WAC 388-101D-0025 is necessary to implement the tiered rate methodology because providers will no longer need to staff within contracted hours, and will instead receive a daily rate. Repealing WAC 388-101D-0120 removes the requirement for providers to obtain approval for staffing schedules, which is no longer necessary under the tiered rate methodology. The Centers for Medicare and Medicaid Services (CMS) approved DDA's waiver amendments, which require implementation of the tiered rate system on January 1, 2019. Enacting these rules on an emergency basis is necessary to meet deadlines under ESSB 6032 and the approved waiver amendments.
