**WAC 388-492-0070 How are my WASHCAP food benefits calculated?**

We calculate your Washington state combined application project (WASHCAP) food benefits as follows:

- (1) We begin with your gross income.
- (2) We subtract the current standard deduction for one person under WAC 388-450-0185 from your gross income to get your countable income.
- (3) We figure your shelter cost based on information we receive from the Social Security Administration (SSA) unless you report a change as described under WAC 388-492-0080.
  - (a) If you pay three hundred twenty dollars or more a month for shelter, we use four hundred twenty-five dollars as your shelter cost.
  - (b) If you pay less than three hundred twenty dollars a month for shelter, we use two hundred ((and ~~thirty five~~) ten) dollars as your shelter cost.
  - (c) We add the current standard utility allowance under WAC 388-450-0195 to the shelter cost we use under either (a) or (b) of this subsection to determine your total shelter cost.
- (4) We figure your shelter deduction by subtracting one half of your countable income from your total shelter cost under subsection (3)(c) of this section.
- (5) We figure your net income by subtracting your shelter deduction from your countable income and rounding the resulting figure up from fifty cents and down from forty-nine cents to the nearest whole dollar.
  - (6) We figure your WASHCAP food benefits (allotment) by:
    - (a) Multiplying your net income by thirty percent and rounding up to the next whole dollar; and
    - (b) Subtracting the result from the maximum allotment under WAC 388-478-0060.
  - (7) If you are eligible for WASHCAP, you will get at least the minimum monthly benefit for basic food under WAC 388-412-0015.
