Purpose: The department is repealing rules contained in chapter 388-891 WAC "Vocational Rehabilitation Services for Individuals with Disabilities" and creating new rules in a new chapter 388-891A "Vocational Rehabilitation Services for Individuals with Disabilities". This new chapter supports the purpose of the Division of Vocational Rehabilitation (DVR), which is to empower people with disabilities to achieve a better quality of life by obtaining and maintaining employment. The rules are intended to inform the public about DVR's vocational rehabilitation (VR) services and the conditions under which DVR provides them.

DVR is creating new rules in a new chapter 388-891A WAC in order to comply with new requirements resulting from the reauthorization of the federal Rehabilitation Act, add guidance to the DVR Customer Services Manual (Division procedures) and align the chapter of WAC with standard operating practice and Federal rules, and increase the ease of locating WAC sections. For example, many sections of this chapter addressing the conditions under which DVR will pay for VR services have been relocated from sections grouped under the topic of "Vocational Rehabilitation Services" to sections grouped under the topic of "Paying for Services."

A crosswalk table of existing and new WAC sections is available upon request.

ELIGIBILITY

NEW SECTION

WAC 388-891A-0500 Who is eligible to receive VR services? (1) You are eligible for VR services if a DVR counselor determines that you meet all of the following criteria:

(a) You have a physical or mental impairment that results in a substantial impediment to your ability to prepare for, secure, maintain, advance in, or regain employment;

(b) You require VR services to prepare for, secure, maintain, advance in, or regain employment that matches your unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(2) DVR presumes that if you meet the eligibility requirements in subsection (1), you can benefit in terms of an employment outcome.

(3) Before determining that you are unable to benefit from VR services in terms of an employment outcome due to the severity of your disability, DVR must conduct a trial work experience to explore your abilities, capabilities, and capacity to perform in realistic work situations as described in WAC 388-891A-0526 through 388-891A-0535.

NEW SECTION

WAC 388-891A-0505 How does DVR determine if I am eligible? (1) A DVR counselor reviews and assesses information and records about the current status of your disability and determines whether you meet the eligibility requirements outlined in WAC 388-891A-0500.

(a) A DVR counselor bases the determination on observations, education records, medical records, information provided by you or your family, and information provided by other agencies or professionals.

(b) If information or records are not current, available, or sufficient for a DVR counselor to determine if you are eligible, DVR provides the assessment services necessary to get the information needed to make a decision.

(c) VR services used to collect additional information and records to determine eligibility may include medical or psychological evaluations, trial work, assistive technology, personal assistant services, or any other support services necessary to determine if you are eligible.

(d) DVR must not use your participation in pre-employment transition services as an assessment to determine your eligibility for VR services.

(2) When additional assessment services are necessary to get the information needed to make a decision about your eligibility, DVR assists you in making informed choices about the services, providers, and supports you need to participate in those assessment services.

(3) If you decline to provide or consent to the release of records or if you decline to participate in VR services necessary to obtain information required to make an eligibility determination, your VR case service record is closed.

NEW SECTION

WAC 388-891A-0506 Am I presumed to be eligible for VR services if I receive Social Security disability benefits? (1) If you receive Social Security disability insurance (SSDI) or supplemental security income (SSI) benefits under Title II or XVI of the Social Security Act and you intend to achieve an employment outcome, DVR presumes that you are an eligible individual upon verification of your Social Security disability benefits.

(2) If you cannot provide appropriate evidence of your Social Security benefits, such as an award letter from the Social Security Administration, or other type of verification, DVR may request the verification for you.

(3) DVR makes maximum efforts to obtain verification of your Social Security benefits in a reasonable period of time.

(4) After verification of your Social Security benefits, the DVR counselor determines whether you are eligible for VR services.

(5) Although DVR presumes that you are eligible for VR services if your DVR counselor has verified that you receive SSDI or SSI, if the DVR counselor has reason to believe you are not capable of benefiting in terms of an employment outcome after receiving VR services due to the severity of your disability, the DVR counselor conducts an exploration of your abilities, capabilities, and capacity to perform in realistic work situations as described in WAC 388-891A-0526 and 388-891A-0530.

NEW SECTION

WAC 388-891A-0507 Am I required to provide proof of my identity and work status? (1) DVR must verify your identity and work status before paying for VR services.

(2) DVR verifies your identity and work status when you provide the documentation required by the United States Citizenship and Iden-

tification Services (USCIS) for USCIS form I-9, "Employment Eligibility Verification."

(3) If you do not provide documentation of your identity and legal work status, DVR may obtain existing records that contain information for use in determining your eligibility.

(4) DVR must not pay for any services other than those described in subsection (3) of this section until you provide proof of your identity and work status.

NEW SECTION

WAC 388-891A-0510 After DVR receives my signed application, how long does it take to make an eligibility determination? (1) DVR will make an eligibility determination as soon as enough information is available, but no longer than sixty days after receiving your completed application materials.

(2) If DVR does not have enough information to determine your eligibility within sixty days, you and a DVR counselor must agree to:

(a) Extend the eligibility period to collect additional information or records because exceptional and unforeseen circumstances prevented the collection of information necessary to make an eligibility determination; or

(b) Conduct a trial work experience, if a DVR counselor is not certain whether VR services will enable you to benefit in terms of an employment outcome because of the severity of your disability.

NEW SECTION

WAC 388-891A-0515 What if I do not agree to extend the eligibility determination period? If you do not agree to extend the eligibility determination period, DVR must close your case service record.

NEW SECTION

WAC 388-891A-0525 What criteria does DVR not consider in its eligibility determination? In making an eligibility determination, DVR does not consider your:

(3) Specific rehabilitation needs;

(4) Type of employment outcome you expect to achieve;

(5) Source of referral;

(6) Anticipated cost of services; or

(7) Income.

NEW SECTION

WAC 388-891A-0526 May DVR determine that I am ineligible for VR services without additional assessment of the severity of my disability? If a DVR counselor cannot presume that you are eligible for VR services or that VR services will enable you to benefit by achieving an employment outcome because of the severity of your disability, DVR requires a trial work experience to determine eligibility. To develop the trial work experience, DVR will:

(1) Conduct an exploration of your abilities, capabilities, and capacity to perform in realistic work situations. This exploration must include an assessment of existing information to the maximum extent possible;

(2) Develop a trial work plan to assess your abilities, capabilities, and capacity to perform in competitive integrated work situations through the use of trial work experiences; and

(3) Make a determination for eligibility based on the information gathered from trial work experience(s).

NEW SECTION

WAC 388-891A-0527 What is a trial work experience? A trial work experience is an assessment DVR requires when a DVR counselor cannot presume that you are eligible for VR services or that VR services will enable you to benefit by achieving an employment outcome because of the severity of your disability. Through that assessment, DVR gathers information to determine that either:

(1) You can benefit from VR services to achieve an employment outcome and are eligible for VR services; or

(2) There is clear and convincing evidence that due to the severity of your disability, you are incapable of benefiting in terms of an employment outcome after receiving VR services and you are ineligible for VR services.

(a) The clear and convincing standard is the highest standard used in our civil system of law and is applied on a case-by-case basis.

(b) Clear and convincing evidence may include assessments that conclude service providers would be unable to meet the individual's needs due to the severity of the individual's disability.

(c) The demonstration of clear and convincing evidence may include, if appropriate, a functional assessment of skill development activities, with any necessary supports (including assistive technology), in real life settings.

NEW SECTION

WAC 388-891A-0530 What is involved in a trial work experience?

(1) You and your DVR counselor develop a trial work plan outlining the specific questions to be answered by the trial work experience.

(2) The plan developed by you and your DVR counselor will identify appropriate VR services and supports to accommodate your rehabilitation needs, such as supported employment, on-the-job training, assistive technology or personal assistant services.

(3) DVR will exhaust all opportunities, consistent with your informed choice and rehabilitation needs, for providing trial work experiences through actual work experiences in integrated community environments.

(4) You will participate in one or more trial work experiences that allow you to try different employment experiences.

(5) Your trial work experience(s) will take place over a period of time that you and your DVR counselor agree to in your trial work plan.

NEW SECTION

WAC 388-891A-0535 What if I cannot participate in or decline to participate in a trial work experience? If you cannot participate in a trial work experience, DVR has exhausted efforts to arrange a trial work experience, or you decline to participate in a trial work experience, DVR will close your case.

NEW SECTION

WAC 388-891A-0540 When may DVR determine that I am not eligible or no longer eligible for DVR services? If you do not or you no longer meet the eligibility criteria in WAC 388-891A-0500, a DVR counselor may determine that you are not eligible or no longer eligible for services:

(1) At any time after application; and

(2) After giving you an opportunity to discuss the reasons for the counselor's determination.

NEW SECTION

WAC 388-891A-0545 What happens if DVR determines that I am not eligible or no longer eligible for VR services? (1) Before determining that you are not eligible for VR services or that you are no longer eligible for VR services, a DVR counselor consults with you and gives you an opportunity to discuss the decision.

(2) DVR sends you a notice in writing, or using another method of communication, if needed. The notice includes:

(a) An explanation of the reason(s) you are not eligible or no longer eligible;

(b) Your rights to appeal the decision; and

(c) An explanation of the services available from the client assistance program.

(3) If you are ineligible based on a determination that you cannot achieve employment because of the severity of your disability, DVR reviews the decision within twelve months and annually thereafter at your request.

NEW SECTION

WAC 388-891A-0550 If I am not eligible or no longer eligible for VR services, does DVR help me find other programs and service providers to meet my needs? If DVR determines that you are not eligible or no longer eligible for VR services, DVR provides you with information and refers you to other agencies or organizations that may provide services to meet your employment-related needs.

NEW SECTION

WAC 388-891A-0555 Does a determination that I am eligible for VR services mean that I am entitled to any service? Eligibility for VR services in general does not mean that you are entitled to receive any specific VR service. The specific VR services that you receive are determined on an individual basis.

ORDER OF SELECTION

NEW SECTION

WAC 388-891A-0600 What happens if DVR cannot serve every eligible person? When it is not possible to serve all eligible persons because there are not enough funds or other resources, DVR must:

- (1) Continue services without disruption for eligible individuals who have developed and signed an individualized plan for employment;
- (2) Establish a statewide waiting list for services;
- (3) Implement a process called order of selection that:
 - (a) Establishes the order in which DVR selects eligible individuals from the waiting list to begin receiving VR services; and
 - (b) Ensures that individuals with the most significant disabilities are served as a priority over other groups of eligible individuals; and
- (4) Provide you with information and guidance (which may include counseling and referral for job placement) about other federal or state programs that offer services to help you meet your employment needs, if available.

NEW SECTION

WAC 388-891A-0610 How are individuals selected for services when DVR is operating under an order of selection? When DVR is operating under an order of selection, individuals are selected for services as follows:

(1) At the time you are determined eligible for VR services, a DVR counselor assigns you to a priority category based on the severity of your disability.

(2) The priority categories are defined in WAC 388-891A-0620 through 388-891A-0660.

(3) As resources become available for DVR to serve additional individuals, DVR selects names from the waiting list in the priority category being served at that time.

(4) Within a priority category, the date you applied for VR services determines the order in which you are selected from the waiting list.

(5) DVR may provide you specific services or equipment without requiring that you wait for services under an order of selection if:

(a) You are at immediate risk of losing your job in a competitive integrated setting for reasons related to your disability; and

(b) You require specific services or equipment in the very near future that will enable you to keep your job.

(6) If you have successfully achieved an employment outcome as described in WAC 388-891A-1310, are currently employed, and require post-employment services, you are not required to wait for services under an order of selection.

NEW SECTION

WAC 388-891A-0611 What criteria must DVR not use when assigning you to a priority of service of category? DVR must not use any of the following criteria when assigning you to a priority of service category:

(1) Any duration of residency requirement, provided the individual is present in the state;

(2) Type of disability;

(3) Age, sex, gender, gender identification, sexual orientation, race, color, creed, religion, national origin, veteran status, military status, or marital status;

(4) If you are currently participating in a treatment plan and you and your provider agree to release reports to DVR that demonstrate your current status, the DVR counselor must consider that information when developing the plan for employment, including any restrictions relating to employment outcome or setting. If the information contained in your provider's reports indicates a potential risk to individuals you may encounter while receiving services or working, you must consent to release information about the behavior to a potential service provider or potential employer prior to referral for services.
